

PRAYER FOR RELEASING HARMFUL SOUL-CONTRACT

Archangel Metatron, bearer of my Soul-Contracts, I've done my best to grow and evolve in your power, and be who we wanted to be through this incarnation.

Please end this contract, this bond between me (your full name) & (full name of the person) so that we are free of all that is harmful, challenging and creating disalignment within our Souls.

For our highest good and to up-level us both from this low vibe relationship across, all timelines, spaces, realities, and dimensions.

Thank you, in full faith & so it is
